FIRST AID

The Lovelace Health System First Aid Center is adjacent to the Event Safety Center, located east of Main Street behind booth space #85. Lovelace Health System emergency medical professionals provide on-site emergency medical care for problems ranging from minor scrapes to heart attacks.

SECURITY

Police and Security Officers are on the field for your protection. In the event you need assistance and cannot locate an officer, please go to the Event Safety building, located east of Main Street behind booth space #85. The Event Safety compound is manned 24 hours a day during Balloon Fiesta. AIBF assumes no liability for damages caused by theft, vandalism, weather conditions, etc.

SAFETY TIPS

1. Limit alcohol consumption. You're at a mile-high altitude, which increases alcohol's effect.
2. Dress in layers. It's sometimes very cool in the morning, but after sunrise, it will warm up.
3. Bring sunscreen. You're at a high altitude and at risk of sunburn.
4. Bring appropriate eye protection. Sun and wind can damage your eyes on sunny or windy days.
5. Don't smoke anywhere near the balloons. A lit cigarette can ignite a balloon's propane fuel tank or melt the envelope's fabric. Smoking is Prohibited inside Balloon Fiesta Park by city ordinance.
6. Choose a place to meet in case someone gets separated. Make sure children carry identification.
7. Don't "drive and watch" at the same time.
8. Watch where you're walking. Beware of vehicles moving around the field, especially emergency vehicles needing to get through the crowd.
9. Bring a flashlight for evening events.
10. Take note of where you have parked your car – it's more difficult to find in the dark.

One (1) trash can will be located in the patio area, and one (1) will be at the patio entrance because food and drinks are not allowed to leave the Corporate Village area. Each tent will be equipped with at least one hand-held fire extinguisher with a rating of 2A:10BC. Such

extinguisher shall be currently inspected and tagged showing its annual servicing. **If you are not satisfied with the condition of your Fiesta Tent before your event, please visit the Sponsor Information Center**, located in Corporate Village. Sponsor Representatives will be visiting your Fiesta Tent to make sure everything is in good order.

Fiesta Deck area will have four (4) – 8’ catering tables, one (1) bar, six (6) 36” bar table tops, seventeen (17) – 48” round tables, and one hundred two (102) chairs in deck area. There will also be two (2) out-door patio seating groupings and eight (8) Adirondack style chairs, three (3) Patio Heaters. Electricity (maximum of four (4) 120-volt 20-amp outlets) will be provided. Sponsor is responsible for furnishing extension cords. Extension cords must be no less than 14 gauge molded “outdoor rated”. Please note that water is NOT available. Tablecloths are also included. Fiesta Deck Entry is from the outside southeast stairwell only. Access is NOT available to restrooms inside Sponsor Hospitality. Catering is NOT included. Also included are six (6) Corporate Village Parking passes valid for your session only, fifty (50) General Admission Passes valid for single, one (1) time use, and twenty-five (25) General Parking Passes valid for single, one (1) time use. Your guest count cannot exceed 100 guests in the morning or 300 guests in the evening. There will be personalized wristbands to admit your guests to the Fiesta Deck. PLEASE NOTE: These wristbands allow entry onto the Fiesta Deck. They do not include admission or parking. All guests must have admission tickets to enter Balloon Fiesta Park. Children 12 and younger who are accompanied by an adult are not required to pay a fee for admission to the Park and do not need a wristband for entrance to your patio area. Admission and parking tickets can only be purchased at a discount through the sponsorship sales team.

If you will be serving alcohol in your hospitality tent (Fiesta Deck, Tent or Corporate Tent) you must name AIBF as an additional insured and provide a certificate of \$1,000,000 “host liability” insurance prior to the start of Balloon Fiesta no later than September 1st. (This coverage is probably included in your basic insurance policy.)

Each Hospitality Tent will have One (1) 120-volt 20-amp outlet per 20’ frontage. Please make sure you have adequate extension cords to support your electrical needs. Code Enforcement inspectors require that no less than 14 gauge molded “**outdoor rated**” extension cords be used.

When you rent a Fiesta Tent for a session, Balloon Fiesta will provide signage with your company name. This signage is then placed on a flag stand in the patio area of your tent before your session. This allows your guests to see which tent your company is occupying. Each Fiesta Tent has a number on the back, or south side, of the tent. This is to enable your caterer to identify your tent. **Your caterer must know which tent you will be occupying.** A confirmation letter will be sent to you with this information in September. Corporate Tent sponsors will have their company names on the back of their tents and on the flag stand in their patio area.

Included in your Fiesta Tent or Corporate Tent sponsorship is a number of “guest wristbands” or Corporate Village buttons. These wristbands or buttons allow your guests entry into your tent area. **Please note that neither a wristband nor a button is valid for parking or admission to the Park.**

Any additional tables and chairs required for your tent must be ordered from our official tent/equipment supplier, Choura Events, at 310-320-6200. Orders after August 1st may incur a late fee. Charges for additional tables and chairs must be paid to the tent provider at time of order with a credit card. Please do not remove furnishings from other tents or patios.

Admission to Fiesta Tent and Corporate Tent Hospitality Areas:

Guests will be admitted to Corporate Village only upon presentation of a wristband identifying them as an invited guest. Fiesta Tent sponsorship contracts include 150 wristbands for each tent rented; however, up to 50 more may be requested at no charge. Please keep in mind the seating capacity of your tent when ordering additional wristbands. Children twelve (12) and under accompanied by an adult do not require a wristband for entry.

Note: Guest wristbands and/or buttons are not valid for parking or admission to Balloon Fiesta Park.

PLEASE ADVISE YOUR GUESTS THAT EARLY ARRIVAL IS ESSENTIAL! We recommend that your guests be on the field by 4:30 am for morning sessions and 4:00 pm for evening sessions.

Parking in the lots south of your Hospitality Tent area requires a Corporate Village Parking “B” Pass. The reverse side of the Corporate Village Parking Pass contains both a map and written directions for accessing the lot. After crossing over the bridge into the parking area, you should make an immediate right turn to park. Any vehicle other than Official Chase Vehicles north of the Corporate Village tents (on the Launch Field side of the tents) will be towed at owner’s expense.

Transit Bus Pass passengers must have an admission ticket to enter Balloon Fiesta Park. Guest wristbands and/or buttons are not valid for admission to Balloon Fiesta Park.

CATERING & RELATED

CATERERS

AIBF does not have a “preferred caterer” for Corporate Village. You may contract with a catering company provided they comply with AIBF rules for caterers. *Please note all Corporate Village caterers must register with Balloon Fiesta as well as provide a copy of a Temporary Food permit issued by the City of Albuquerque Environmental Health Department no later than **September 1st**.* We must know the name of your catering company, date and session it will be catering and the size of its catering vehicle. Because of space constraints, Balloon Fiesta may be required to limit the number, location and size of catering vehicles and facilities. All catering vehicles require an AIBF designated Parking Pass. One of the two Corporate Village Parking Passes valid for your session (specified in your contract) must be provided to your caterer.

SIGNAGE AND DECORATIONS

AIBF will provide and install a sign with your company’s name in your patio area. Any other signage that contains the name or logo of any entity or product must not be legible from outside your tent and patio.

CLEAN-UP

- The use of glass bottles or glassware on the grass areas of Balloon Fiesta Park is prohibited both because of the danger of broken glass and the difficulty of removing bottle caps. Bottle caps hidden in the grass cause major problems with the City's mowing equipment.
- It is ***mandatory*** that your tent and surrounding areas be left in just as good shape as you found them with the exception of reasonable wear and tear. *All trash must be picked up and removed from the tent and patio area. You are responsible for the removal of all food and equipment prior to leaving the Park. Failure to comply with this requirement will result in the assessment of a \$500 cleaning fee.*
- Balloon Fiesta will make sure that your tent area and tables are clean before your event, however, we do not do any cleaning of tables during the event. Since your tent is your private area during each event, there will be no trash pickup service inside your tent or patio area. *Trash bags will be supplied, and when trash cans are full, please remove the bag, tie it shut and place it behind your tent for pickup.* If you find that you do not have a sufficient number of trash bags, please notify a Sponsor Representative in the Sponsor Information Center and they will assist you.

ALCOHOLIC BEVERAGE GUIDELINES

Should you wish to include beer, wine, liquor, or other alcoholic beverages at your event, it is ***mandatory*** that arrangements be made with the exclusive liquor vendor at Balloon Fiesta Park: Fiesta's Restaurant. Fiesta's Restaurant has agreed to assist AIBF with overseeing alcohol consumption, service, and sales during this year's event, including arrangements for necessary permits. The vendor's contact information is listed below.

Amber Carpenter
505.270.9443
Fiesta's Restaurant
carpenteramber01@gmail.com

- Alcoholic beverages shall not be consumed or served at your event except as agreed and arranged with Fiesta's Restaurant, and subject to all conditions that Fiesta's Restaurant requires for such consumption and service. Failure to abide by this requirement will result in AIBF requiring the sponsor and its guests to leave Balloon Fiesta Park and all AIBF-controlled locations.
- Arrangements may be made through Fiesta's Restaurant for consumption/service of alcoholic beverages during events on all nine days of Balloon Fiesta, including Sundays.
- In addition to Fiesta's Restaurant's conditions for consumption and service of alcohol at events in Corporate Village, the following conditions apply:
 - No alcohol may be sold or purchased in Corporate Village.
 - You may not advertise the inclusion of alcohol in your event or impose a cover charge for alcohol service.
 - Alcohol service may not start before 7:00 a.m.
 - Alcohol service will be limited to your invited guests only.
 - Minors may not serve, possess or consume alcohol.

- Intoxicated persons may not possess or consume alcohol.
- No alcohol may be removed from your tent and patio area.
- **You must name both AIBF AND Fiesta's Restaurant and Lounge as additional insureds on a policy of insurance providing "host liability" coverage and provide a certificate of insurance evidencing \$1,000,000.00 in such coverage for each entity. The certificates should be provided prior to the start of Balloon Fiesta, no later than September 1st. (This coverage is probably included in your basic insurance policy.)**

ICE

It is strongly suggested that your caterer provide any ice they may need. AIBF will not be able to provide ice for your session.

FIRE LANES

The Fire Lane (Pedestrian Walkway) behind the Corporate Village tents may be used only to load and unload your vehicles; however, this area is not accessible from 6:00am - 10:00am or 5:00pm - 9:00pm. **Parking is prohibited on all fire lanes.** Vehicles that are left on the fire lanes for an extended period or that cause traffic problems for other vehicles will be towed at owner's expense and entry privileges to Balloon Fiesta Park will be revoked.

HANDICAP ACCESSIBILITY

Special parking and restroom facilities are provided at Balloon Fiesta Park. Courtesy carts are available for transportation from specific stops in Balloon Fiesta Park to designated handicap parking lots. Courtesy carts are designated with signage. Balloon Fiesta Park is over 360 acres with the launch field consisting of more than eighty acres (approximately 54 football fields). Scooters and wheelchairs are available for rent.

GOLF CARTS

If your contract includes a golf cart, it will be available for pick up at the northwest corner of BFP, Westwind and Cutter Road in the "W" lot – Gate NY3 the two (2) days prior to Balloon Fiesta: Thursday 9:00am - 5:00pm and Friday 9:00am - 12:00pm. Before being issued a key, sponsors must sign a form assuming financial responsibility for any damage to the golf cart and agreeing to certain operating rules.

If you are unable to pick up your golf cart on Thursday or Friday, please contact your Sponsor Representative.

Sponsors are responsible for keeping their golf carts filled with gas. For your convenience, gas for carts registered with Balloon Fiesta can be obtained (free of charge) at the northwest corner of the launch field, Monday-Friday, 11:00am – 1:00pm.

Golf cart drop off will be on the final Sunday of Balloon Fiesta at the northwest corner of BFP, 0Westwind and Cutter Road in the "W" lot – Gate NY3. Golf Cart drop off will begin as soon as all balloons have launched. **All golf carts including locks and associated keys must be returned by 10 am.**

The use of golf carts at Balloon Fiesta Park is not allowed unless the vehicle is registered with AIBF and has the current AIBF sticker displayed. All operators must be at least 16 years old and possess a valid driver's license, insurance and an AIBF issued permit. Operators are expected to operate golf carts in a responsible manner at all times or golf cart privileges will be revoked. Scooters and all-terrain vehicles are not allowed.

BALLOON SPONSORSHIPS

A Balloon sponsorship – bannered, commercial or non-profit – is a wonderful way to participate in Balloon Fiesta! Your balloon may fly in all events during Balloon Fiesta that are scheduled for standard shape hot air balloons. If your sponsored balloon is a special shape, it may also fly in events designed exclusively for special shape balloons.

If you are sponsoring a bannered balloon, AIBF will assist you in purchasing your banner. If needed, a balloon and pilot will be located to fly your banner, and banner measurements will be determined to best fit the balloon. We will need a picture (vector art file in one of the following formats: .eps or .pdf with CYMK color profile) of your company logo. After acquiring a price quote, we will send you, via email, a copy of the banner and price quote for your approval. **No banner will be produced without your written approval.** Purchasing a banner is a one-time expense. The banner belongs to your company and may be flown in as many Balloon Fiestas as you like, as long as a contract is signed, and the sponsorship fee is paid for the applicable Balloon Fiesta. **PLEASE NOTE: The pilot chosen to display your banner may be a competition pilot and, if so, may launch outside of Balloon Fiesta Park on Monday, Tuesday, Thursday or Friday morning(s) and attempt to fly into the Park.**

Commercial balloon sponsorships require that the sponsorship contract be signed, and the fee is paid. The balloon and pilot will register through the normal registration process for pilots. All pilots of sponsored balloons shall receive a pilot jacket.

SPONSOR JACKETS

Sponsor jackets may be personalized with your company name or logo if the Sponsor Information and Jacket Order Form is completed and received by Balloon Fiesta by the date specified on the Jacket Order Form. Additional sponsor jackets may be ordered prior to the event at a cost of \$200.00 per jacket with no additional charge for personalization. These additional orders will be filled based on availability.

CONTACTING YOUR PILOT

In early September, you will receive a letter from Balloon Fiesta with information about your pilot. Your pilot will also receive a similar letter with your information. You will be given contact information so that you are able to get in touch with him or her prior to the event to discuss your rides and set up a time and place to meet. *It is the sponsor's responsibility to make arrangements for their rides.*

BALLOON RIDES

Your Balloon Sponsorship benefits include two balloon rides (1 person = 1 ride). If you need additional rides, our official balloon ride company is Rainbow Ryders, (505) 823-1111 or (800) 725-2477. You may also email rainbowryders@rainbowryders.com or visit

www.rainbowryders.com. Balloon Fiesta guests who will receive a balloon ride from the Official Balloon Ride Concessionaire will be asked to sign a release and disclaimer of liability at the time of their ride. The release and disclaimer will be similar to the one at the end of this manual.

SPONSOR HOSPITALITY PASSES

One of the benefits of your sponsorship is receiving passes to the Sponsor Hospitality Area. The pass allows the holder entry into the area for complimentary food and beverages during each session of the event.

A breakfast buffet is served from 5:30am to 8:30am and mid-morning snacks are served from 9:30am - 11:00pm. An evening buffet is served from 5:00pm - 8:00pm. The bar service hours are 7:00am - 11:00am and again from 5:00pm - 8:30pm. The Sponsor Hospitality area is not open on Monday, Tuesday or Wednesday evenings.

A balloon sponsorship normally includes two of these passes. Please note that one pass admits one person per session. All guests six (6) years or older must have a pass to enter. If needed, sponsors may purchase additional all session adult passes for \$400 each or single session passes for \$50 each. Weekly child passes are \$100 each and single session child passes are \$25 each. Sponsor pilots also receive two (2) weekly passes to the area. These passes are not available to the general public.

The Pilot in Command (PIC) has briefed me regarding my duties and responsibilities as a crew member in a hot air balloon flight.

RISKS OF BALLOONING: I understand that participating in a hot air balloon flight is a potentially hazardous activity. There are risks, both known and unanticipated, inherent in hot air ballooning. Such risks could lead to injury, paralysis, or death. By participating in a hot air balloon flight, I will be exposed to risks including but not limited to: damage to or loss of personal property; arrest for trespassing or other violations of the law; capsize of basket or other vehicle; collision with obstacles on the ground or in the air; accident or illness in remote locations without immediate access to medical facilities; immersion in water; hypothermia; falling from the balloon while on the ground or in the air; fire or flames; temperature extremes or inclement weather; slipping, tripping, or falling; harm from failure of equipment even when properly used; and my negligence or the negligence of Fiesta visitors, participants, pilots, or other persons. I agree to comply with instructions and directions from the PIC and the PIC's personnel before, during, and after the flight. I am responsible for assessing my fitness, alertness, and the limits of my abilities. I have no present medical or mental health condition that would render me unable to operate a hot air balloon in a safe manner or unable to participate in a hot air balloon flight.

I therefore certify under penalty of perjury to the truth of the following statements.

1. **ASSUMPTION OF RISKS:** I understand the risks of hot air ballooning, and I expressly agree and promise to accept and assume those risks, inherent and otherwise, whether or not described in this document, including that I may be injured by another person or organization's negligence. My participation is purely voluntary; I understand that I have the right to terminate my participation at any time. I elect to participate despite the risks.

2. **RELEASE:** I, on behalf of my family, heirs, assigns, personal representative, and estate, and as a condition of participating as a crewmember in Balloon Fiesta, hereby voluntarily RELEASE the PIC, AIBF, 2025 Balloon Fiesta sponsors, and launch and landing site owners, including the Sandia Pueblo, and their respective employees, volunteers, sponsors, agents, representatives, successors, and assigns from all liability and any claims, demands, or causes of action arising from my participation as a crewmember in a hot air balloon flight, including any physical or other injury to me or my property caused by the negligence of any person or organization.

3. **COMMITMENT TO SAFETY:** I shall under no circumstances act as a required pilot flight crewmember while I know or have reason to know of any medical or mental health condition that would make me unable to operate the aircraft in a safe manner.
